

Individual Membership - Midwest Historic Masonic Lodge Association, Inc

Mission

Midwest Historic Masonic Lodge Association Inc. is a Kansas Not For Profit Corporation designed to educate the general public about aspects of Freemasonry using historically accurate information.

Goals

Our primary goal is to accurately discuss 'who the Masons were and what they are today', thus increasing public awareness of Masonry's influence (good and bad) throughout the Midwest Region and beyond. We actively present public information and education with enactors and provide an accurate forum for the presentation of Masonic history in relationship to the community, state of Kansas, Midwest region, and nation. This first goal is expected to increase public interest in Masonry and result in a general increase in membership. Our primary effort is to maintain a historically accurate 1870-1890 era Masonic Lodge in partnership with Old Cowtown Museum, Wichita, Kansas (www.oldcowtown.org).

Our second goal is to provide a closed Masonic forum for Association members to provide information and education of Masonic history and philosophy. Our third goal is to support Old Cowtown, Wichita, Kansas by providing interest, the presentation of historically accurate Masonic information to the public. This goal will provide public awareness of Old Cowtown Museum through Kansas, Regional and National Masonic channels.

Structure

The Association and Lodge Hall structures do not conflict with Lodge functions and support the growth of Masonry.

Individual Membership

Individual memberships are \$50.00 per year from the time the paid application is received and approved. Individual Membership is open to all Masons and Eastern Star members in good standing in Lodges or Chapters recognized by the Grand Lodge of Kansas AF&AM, the Grand Lodge of Kansas PH, the Grand Lodge of Utah AF&AM, the Grand Lodge of Colorado AF&AM, or as published by The Masonic Service Association of North America, Inc.

For additional information contact the Executive Director per our web site at www.historicmasonry.org .
